

As part of the family, Grandparents are involved as follows:

*Grandparent Academy* is held in September and is a time for the students to show the way we do school in a Christ-centered and classical environment. Come and join us for a morning of 'education' sponsored by your grandchildren!

*Grandparent Cook-out* is held in April and is a chance for three (sometimes four) generations to attend a cook-out together on-campus while watching a boys varsity baseball game and/or a girls varsity soccer game.

*Grandparent Volunteers* are an important part of our volunteer team at Providence. Grandparents help in classrooms, help put up bulletin boards, and so much more. You can get a volunteer form at the reception desk if you are interested in volunteering.

*Annual Fundraising Auction* is executed to support the tuition financial assistance program at Providence. Through this program students tuition assistance dollars are raised to help students attend PA for a Christ-centered and classical education that they wouldn't ordinarily be able to afford.

*Mailing List* is available to our grandparents to receive updates on events at Providence. Please send your information to Mark Koscak in the development office.
