Dear Providence Family,

It's exciting to look back and see the mighty work that God has done at Providence Academy over the last 20 years. It's also exciting to look forward and see the opportunities that we have ahead of us in the next 20 years. The links associated with this document will provide an online version of the following:

1. Science and Library Wing Plans
2. 20 Year Campus Vision
3. A Rendering of What the Future Campus Could Look Like in 20 Years
4. A Copy of the 20th Anniversary Commemorative Booklet

Please keep these plans in prayer as we consider a feasibility study in early 2014. If you have questions, you can call our Director of Development, Mark Koscak, at (423) 854-9819.

God bless,

Dr. Keith Johnson
Providence Academy Board Chair
