

Volunteer Opportunities

There are many places for you to help at Providence Academy. Parents, Grandparents, Aunts, Uncles, Friends and more are plugged into our many volunteer driven programs.

If you would like to volunteer at Providence, stop in or call the administrative office 423-854-9819 to fill out a volunteer information form. This form will give us some information about who you are and the ways that you would enjoy helping.

Areas of opportunity include:

- Helping serve lunch in the lunchroom.
- Reading to students in the classrooms.
- Going on field trips as a chaperone.
- Helping with Fundraising events.
- And many more...
