

SCHOOL MISSION STATEMENT

Providence Academy

Providence Academy equips students to achieve academic excellence and spiritual maturity through a biblically-based, Christ-centered, classical education, so they will think and live in a manner which brings glory to God.

FINE ARTS DEPARTMENT PURPOSE STATEMENT

The purpose of the Providence Academy Fine Arts department is to develop within students a love for and an appreciation of the visual, aural, and dramatic arts and to allow and encourage students to discover, develop, and demonstrate their God-given talents through the Fine Arts. Our desire is to equip and engage students to pursue Truth, Beauty, and Goodness in all of their artistic endeavors and to assist them in developing criteria to evaluate art, drama, and music from a standpoint which mirrors the goodness of the Gospel. We seek to help students understand the beauty and wonders of God's creation through broad and in-depth studies of various topics within the Fine Arts disciplines. We also endeavor to equip our students to recognize that art, drama, and music are, first of all, gifts of God which enrich the life of every believer. The Fine Arts are also effective tools with which our students can worship, praise, and exalt God, encourage and edify the body of Christ, and proclaim the Gospel message through artistic endeavors. Emphasis will be placed upon the creation of art, participation in dramatic performances, singing and playing musical instruments in order to praise and glorify God through these activities. Students will be encouraged to reclaim and restore the Arts for the cause of Christ within the context of a biblical worldview.
